

Housing Tax Credit Monitor

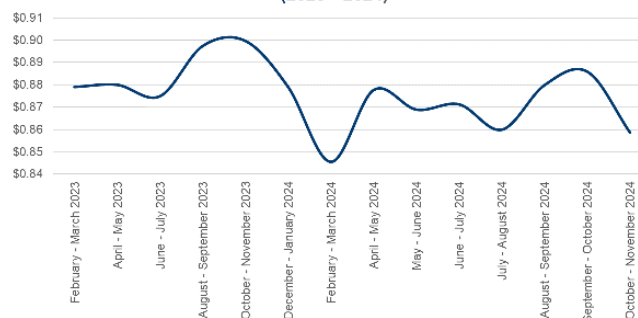

Current LIHTC Pricing

- **Fund listings have been updated with information current as of December 2024, but pricing information is unchanged in this issue.** On an equity-weighted basis and taking into consideration tiered pricing, participants in our latest survey, as of December 2024 – January 2025, reported a **6.61%*** equity weighted average IRR among the national multi-investor funds currently offered.

*When an IRR range is indicated in the survey response, in lieu of complete data to calculate a weighted average fund IRR, we instead utilize the average of the IRRs reported for each fund.
